

## **National Training Workshop on Greenhouse Gases Measurements, Interpretation and Inverse Modeling, 10-14 July 2017 IITM, Pune**

Venue: IITM, Pune

Dates: 10 to 14 July 2017

### Important information

- All Selected candidates for the workshops are informed via email
- Those who are selected may confirm their participation to [ghgworkshop2017@tropmet.res.in](mailto:ghgworkshop2017@tropmet.res.in)
- There will be a registration fee of Rs. 1000/- per participants and payments should be made **in cash** at the registration desk during the registration (8:30 AM on 10-July-2017 at Conference Venue)
- Participants who seek travel assistance (for student participation only) will be reimbursed with to-and-fro AC 3-tier train fare between your workplace and IITM. If you travel by other means the travel fare will be reimbursed for either AC 3-tier train fare or actual, whichever is lower. Those who apply for travel reimbursement should submit the copy of their valid tickets/travel documents and valid student ID proof. Students who reimburse their travel from the parent organizations are not eligible for availing the same from the workshop organizers.
- Organizers are not responsible for booking your travel tickets.
- All participants will be provided accommodation in Prithvi Hall of Residence, MoES hostel facility at IITM, Pune as part of the workshop. Please confirm your accommodation to [ghgworkshop2017@tropmet.res.in](mailto:ghgworkshop2017@tropmet.res.in)

- Accommodation will be provided only for the designated dates of the workshop starting from 09-July-2017 and check-out on 15-July-2017. Any date of extension to the stay will not be permitted unless with a valid reason and proof.
- For any other queries you may contact [ghgworkshop2017@tropmet.res.in](mailto:ghgworkshop2017@tropmet.res.in)
- For further updates please visit this page time to time.
