

INDIAN INSTITUTE OF TROPICAL METEOROLOGY, PUNE-411 008.

No:Comm/7/2016

Date : 23 DEC 2016

OFFICE MEMORANDUM

The Director, Indian Institute of Tropical Meteorology, Pune has approved the following recommendations of the Academic Cell Committee for compliance:

**1. Registration for Ph.D.:**

IITM Scientists with Engineering degree (in Civil, Electrical, Mechanical, Computer etc.) and posted and working to provide services to IITM programmes, if willing to do Ph. D. in any branch of Earth System Sciences/Environmental Sciences/Engineering, have to go through the following procedure:

- (i) They have to appear for an interview at the time of selection of Institute JRF for becoming eligible for Ph. D.
- (ii) Selected candidates would be required to undergo an in-house training in Atmospheric and Oceanic Sciences, which is pre-requisite for becoming eligible as IITM Ph.D candidate.
- (iii) In case those Engineers who would like to register for a Ph. D. degree on the subject of his/her Engineering degree other than Earth sciences, Director, IITM would form a committee with experts from the relevant field(s) and Chairman of the Institute's Academic Cell as convener. This committee will evaluate the candidate and recommend.

**2. Project Students:**

- i. M. Sc./M. Tech Students for Project work will be admitted twice in a calendar year (January and July in each year).
- ii. There will be online form which the candidates need to fill up and upload necessary documents. It is recommended that the students have to complete the project work within the stipulated time period.
- iii. Institute facilities and accommodation will not be provided beyond the date of completion of the project work period.
- iv. All the project students will be reviewed quarterly about their scientific work progress and logistic requirement by the Academic Cell.

All the files related to project students/research fellow/Ph.D. registration /Student's foreign deputation/tours etc. should be routed through Academic Cell.
