CGHS Empanelment and MoU Hospitals

1. Information Regarding MoU Hospitals

The revised CGHS empanelment list. It may be noted that IITM has entered into Memoranda of Understanding (MoUs) with the following hospitals. These MoUs are presently in force and shall remain valid until cancelled by either party:

- Ruby Hall Clinic
- AIMS Hospital, Aundh
- Kotbagi Hospital – Dr. Pethe (Dental treatment only)
- Deenanath Mangeshkar Hospital

Accordingly, treatment availed at the above-mentioned hospitals is permitted under the prevailing MoUs, subject to the applicable terms and conditions of the respective MoUs.

Important: The previous CGHS empanelment list was valid only up to 15.09.2026.

2. Verification Before Availing Treatment at Other Hospitals

For treatment at any other hospital, all staff members are advised to verify the hospital's current CGHS empanelment status on the official CGHS portal before availing treatment, particularly where reimbursement is intended.

This verification will help avoid any difficulty in processing reimbursement claims or any financial loss at a later stage. All concerned staff members are requested to take note of the above information and ensure the necessary verification before availing treatment.
