

IITM Project Positions for M.Sc/M.Tech

Dear Students,

Hereby we would like to inform you about few details about this project Positions.

Kindly read these instructions carefully.

1) Duration of Work: For M.Sc Project: (4 to 6 Months).

M.Tech Project: (9 to 12 Months).

2) Out of the applications received from the candidates belonging to a particular Department/University, Only two best candidates (with valid recommendation of the HoD) from that Department/University will be considered for project position at IITM under this application.

3) More than two candidates from same department may be considered as a special case with the approval of the Director, IITM.

4) IITM will not be providing any accommodation for summer interns/M.Sc/M.Tech projects because of shortage of rooms.

5) Kindly make your accommodation arrangement on your own before starting from your hometown.

6) Application does not guarantee a project position at IITM. The selection list will be published after the deadline.

7) Last Date of applying: 23 June 2019

8) IITM will not be providing any financial support during your internship at IITM.

9) Kindly read instruction page carefully before submitting the form.

10) Also you need to coordinate with your respective guides well before joining IITM.

11) For any query you can mail us: Dr VinuValsala: valsala@tropmet.res.in.

Hope to see you at IITM,

Regards,

Academic Cell-IITM
