

RTI Registration Number IITMT/R/T/22/00013 dated 11/11/2022

Question: from Mr Kumar Anurag

Artificial rain, hailstorm are being done by cloud seeding in India, which is completely unnatural work

With whose permission this is happening in our country of India, please provide information.

Response: We do not know of the ongoing cloud seeding causing any artificial rain and hailstorm in the country.
