## **E. Opening and Evaluation of Bids**

### **1.22 Opening of Bids by the client**

- 1.22.1. Opening of Bids by the client will be done as per the provisions of the e-procurement system. In the event of the specified date of Bid opening being declared a holiday for the client, the Bids shall be opened at the appointed time and location on the next working day. In case of two-bid, the Price bid shall be opened only after technical evaluation.
- 1.22.2. Bidders interested in participating in the bid opening process should witness the tender opening process on e-procurement system.

### **1.23 Confidentiality**

- 1.23.1. Information relating to the examination, evaluation, comparison and post qualification of bids, and recommendation of contract award, shall not be disclosed to bidders or any other persons not officially concerned with such process until Award of the Contract.
- 1.23.2. Any effort by a Bidder to influence the client in the examination, evaluation, comparison, and post qualification of the bids or contract award decisions may result in the rejection of its Bid.

### **1.24 Clarification of Bids**

To assist in the examination, evaluation, comparison and post qualification of the bids, the client may, at its discretion, ask the Bidder for a clarification of its bid. The request for clarification and the response shall be in writing and no change in prices or substance of the bid shall be sought, offered or permitted. However, no negotiation shall be held except with the lowest bidder, at the discretion of the client. Any clarification submitted by a bidder in respect to its bid which is not in response to a request by the client shall not be considered.

### **1.25 Preliminary Examination**

- 1.25.1. The client shall examine the bids to confirm that all documents and technical documentation requested in **ITB Clause 1.9** have been provided, and to determine the completeness of each document submitted.
- 1.25.2. The client shall confirm that the following documents and information have been provided in the Bid. If any of these documents or information is missing, the offer shall be rejected.

**(a)** All the tenders received will first be scrutinized to see whether the tenders meet the basic requirements as incorporated in the tender enquiry document. The tenders, who do not meet the basic requirements, will be treated as non-responsive and ignored. The following are some of the important points, for which a tender may be declared as non-responsive and will be ignored, during the initial scrutiny:

<b>(b)</b> Bid Form and Price Schedule	i	The Bid is unsigned
	ii	The bidder has not agreed to some essential condition(s) incorporated in the tender.

Form, in accordance with **ITB Clause 1.10**. In case of two-bid system these forms shall be examined after opening of the Price Bids of the technically qualified bidders.

### **1.26 Responsiveness of Bids**

- 1.26.1. Prior to the detailed evaluation, the client will determine the substantial responsiveness of each bid to the bidding documents. For purposes of this clause, a substantive responsive bid is one, which conforms to all terms and condition of the bidding documents without material deviations, reservations or omissions. A material deviation, reservation or omission is one that:

(a)	affects in any substantial way the scope, quality of items specified in the Tender; <b>OR</b>
(b)	limits in any substantial way, inconsistent with the Bidding Documents, the client's rights or the Bidder's obligations under the Proposed Contract; <b>OR</b>
(c)	if rectified, would unfairly affect the competitive position of other bidders presenting substantially responsive bids.

1.26.2. The client's determination of a bid's responsiveness is to be based on the contents of the bid itself without recourse to extrinsic evidence.

1.26.3. If a bid is not substantially responsive, it will be rejected by the client and may not subsequently be made responsive by the Bidder by correction of the material deviation, reservation or omission.

### **1.27 Non-Conformity, Error and Omission**

1.27.1. Provided that a Bid is substantially responsive, the Purchaser may waive any non-conformities or omissions in the Bid that do not constitute a material deviation.

1.27.2. Provided that a bid is substantially responsive, the Purchaser may request that the Bidder submit the necessary information or documentation, within a reasonable period of time, to rectify non-material non-conformities or omissions in the bid related to documentation requirements. Such omission shall not be related to any aspect of the price of the Bid. Failure of the Bidder to comply with the request may result in the rejection of its Bid.

1.27.3. Provided that the Bid is substantially responsive, the Purchaser shall correct arithmetical errors on the following basis:

(a)	if there is a discrepancy between the unit price and the line item total that is obtained by multiplying the unit price by the quantity, the unit price shall prevail and the line item total shall be corrected, unless in the opinion of the Purchaser there is an obvious misplacement of the decimal point in the unit price, in which case the line item total as quoted shall govern and the unit price shall be corrected;
(b)	if there is an error in a total corresponding to the addition or subtraction of subtotals, the subtotals shall prevail and the total shall be corrected; and
(c)	if there is a discrepancy between words and figures, the amount in words shall prevail, unless the amount expressed in words is related to an arithmetic error, in which case the amount in figures shall prevail subject to (a) and (b) above.

1.27.4. Provided that a bid is substantially responsive, the Purchaser may request that a bidder may confirm the correctness of arithmetic errors as done by the Purchaser within a target date. In case, no reply is received then the bid submitted shall be ignored and its Bid Security may be forfeited.

### **1.28 Examination of Terms & Conditions, Technical Evaluation**

1.28.1. The Purchaser shall examine the Bid to confirm that all terms and conditions specified in the GCC and the SCC have been accepted by the Bidder without any material deviation or reservation.

1.28.2. The Purchaser shall evaluate the technical aspects of the Bid submitted in accordance with **ITB Clause 1.14**, to confirm that all requirements specified in Chapter 4 of the Bidding Documents have been met without any material deviation or reservation.

1.28.3. If, after the examination of the terms and conditions and the technical evaluation, the Purchaser determines that the Bid is not substantially responsive in accordance with **ITB Clause 1.26**, it shall reject the Bid.

1.28.4. **[Note: Bidder shall quote in Indian currency only]**

**1.29     Evaluation and comparison of bids**

- 1.29.1     The client shall evaluate each bid that has been determined, up to this stage of the evaluation, to be substantially responsive.
- 1.29.2     To evaluate a Bid, the client shall only use all the factors, methodologies and criteria defined below. No other criteria or methodology will be used.
- 1.29.3     The bids shall be evaluated on the basis of final landing cost which shall be arrived as under:

i)	The price shall be quoted as per price bid format by motioning basic cost and all applicable taxes etc.
----	---

**1.30     Comparison of Bids**

The Purchaser shall compare all substantially responsive bids to determine the lowestvaluated bid, in accordance with **ITB Clause1.29**.

**1.31     Contacting the Purchaser**

- 1.31.1     Subject to **ITB Clause 1.24**, no Bidder shall contact the client on any matter relating to its bid, from the time of the bid opening to the time the Contract is awarded.
- 1.31.2     Any effort by a Bidder to influence the client in its decisions on bid evaluation, bid comparison or contract award may result in rejection of the Bidder's bid.

**1.32     Post qualification**

- 1.32.1     In the absence of pre-qualification, the client will determine to its satisfaction whether the Bidder that is selected as having submitted the lowest evaluated responsive bid is qualified to perform the contract satisfactorily, in accordance with the criteria listed in**ITB Clause 1.13**.
- 1.32.2     The determination will take into account the Eligibility & Qualification criteria listed in the bidding documents and will be based upon an examination of the documentary evidence of the Bidder's qualifications submitted by the Bidder, as well as such other information as the client deems necessary and appropriate.
- 1.32.3     An affirmative determination will be a prerequisite for award of the contract to the Bidder. A Negative determination will result in rejection of the Bidder's bid.

**F.     Award of contract**

**1.33     Negotiations**

Normally, there shall not be any negotiation. Negotiations, if at all, shall be an exception and only in the case of items with limited source of supply. Negotiations shall be heldwith the lowest evaluated responsive bidder. Counter offers tantamount to negotiations, shall be treated at par with negotiations.

**1.34     Criteria Award**

Subject to **ITB Clause 1.37**, the Purchaser will award the contract to the successful Bidder whose bid has been determined to be substantially responsive and has been determined to be the lowest evaluated bid, provided further that the Bidder is determined to be qualified to perform the contract satisfactorily.

**1.35     DEVIATION:**

Additional work/any deviation beyond work order quantities requires prior approval of purchaser before execution of such work. The permissible overall deviation from the work order value is 10% of such deviation should not be executed at site without prior approval of the Institute authority.

**1.36      Client's right to accept any Bid and to reject any or all Bids**

The Client's reserves the right to accept or reject any bid and to annul the bidding process and reject all bids at any time prior to award of Contract, without thereby incurring any liability to the affected Bidder or Bidders.

**1.37      Notification of Award**

- 1.37.1      Prior to the expiration of the period of bid validity, the client will notify the successful bidder in writing by registered letter or by cable or telex or fax or email that the bid has been accepted and a separate work order shall follow through post.
- 1.37.2      Until a formal contract is prepared and executed, the notification of award should constitute a binding contract.
- 1.37.3      Upon the successful Bidder's furnishing of the signed Contract Form and Performance Security pursuant to **ITB Clause 1.40**, the Client will promptly notify each unsuccessful Bidder and discharge its bid security.

**1.38      Signing of Contract**

- 1.38.1      Promptly after notification, the Purchaser shall send the successful Bidder the Work Order.
- 1.38.2      Within twenty-one (21) days of date of the Work Order, the successful Bidder shall enter into Contract Agreement as per Chapter 7.

**1.39      Order Acceptance**

- 1.39.1      The successful bidder should submit Order acceptance within 15 days from the date of issue of work Order, failing which it shall be presumed that the vendor is not interested, and his bid security is liable to be forfeited pursuant to **ITB Clause 1.15.11**.
- 1.39.2      The acceptance order must be received within 15 days. However, the Purchaser has the powers to extend the time frame for submission of order acceptance and submission of Performance Security (PS). Even after extension of time, if the order acceptance / WO are not received, the contract shall be cancelled and limited tenders irrespective of the value shall be invited from the responding firms after forfeiting the bid security of the defaulting firm, where applicable, provided there is no change in specifications. In such cases the defaulting firm shall not be considered again for re-tendering in the particular case.

**1.40      Performance Security**

Within 21 days of receipt of the notification of award/Work Order as per the GCC Clause 2.12, the contractor shall furnish Performance Security for the amount specified in SCC, valid for the time **30 days**.

Price or delivery schedule, or both, and the Contract shall accordingly be amended. Any claims by the contractor for adjustment under this clause must be ascertained within fifteen (15) days from the date of the supplier's receipt of the purchaser's change order.

- 2.21.3. No variation or modification in the terms of the contract shall be made except by written amendment signed by the parties.

**2.22 Assignment**

The supplier shall not assign, in whole or in part, its obligations to perform under the Contract, except with the purchaser's prior written consent.

**2.23 Subcontracts**

The supplier shall notify the client in writing of all sub contracts awarded under this contract if not already specified in the bid. Such notification, in the original bid or later, shall not relieve the supplier from any liability or duties or obligation under the contract.

**2.24 Extension of time**

- 2.24.1 The work shall be completed within the completion period only as specified in tender; however in case a time extension request if needed may be submitted with proper justification for consideration and decision of competent authority in this regard will final and binding.

- 2.24.2. If at any time during performance of the contract, the supplier or its sub-contractor(s) should encounter conditions impeding timely delivery of the work and performance of services, the supplier shall promptly notify the client in writing of the fact of the delay, its likely duration and its cause(s). As soon as practicable after receipt of the supplier's notice, the purchaser shall evaluate the situation and may, at its discretion, extend the supplier's time for performance with or without penalty, in which case the extension shall be ratified by the parties by amendment to the contract.

- 2.24.3. Except as provided under the Force Majeure clause of the GCC, a delay by the supplier in the performance of its delivery obligations shall render the purchaser liable to the imposition of penalty pursuant to Penalty Clause of the GCC unless an extension of time is agreed upon pursuant to above clause without the application of penalty clause.

**2.25. Penalty clause**

Subject to GCC Clause on force majeure, if the supplier/contractor fails to deliver/execute any or a part of the supply/work within the period(s) specified in the contract, the purchaser shall, without prejudice to its other remedies under the contract, deduct from the contract price, as penalty, a sum equivalent to the percentage specified in SCC.

**2.26. Termination for Default**

- 2.26.1. The purchaser may, without prejudice to any other remedy for breach of contract, by written notice of default sent to the supplier/contractor, terminate the contract in whole or part:

(a)	If the supplier / contractor fails to deliver any or all of the goods / work within the period(s) specified in the contract, or within any extension thereof granted by the client pursuant to GCC Clause on extension of time;
(b)	If the supplier / contractor fails to perform any other obligation(s) under the contract
(c)	If the supplier / contractor, in the judgment of the purchaser has engaged in Corrupt or fraudulent or collusive or coercive practices as defined in GCC Clause on Fraud or Corruption in competing for or in executing the contract.

- 2.26.1 In the event the purchaser terminates the contract in whole or in part, he may take recourse to anyone or more of the following action:

(a)	The Performance Security/EMD will be forfeited;
(b)	The purchaser may procure / execute, upon such terms and in such manner as it deems appropriate, goods / work similar to those undelivered, and the supplier shall be liable for all available actions against it in terms of the contract.
(c)	However, the supplier shall continue to perform the contract to the extent not terminated.

## **2.27 Force Majeure**

- 2.27.1 Notwithstanding the provisions of GCC Clauses relating to extension of time, penalty and termination for default the supplier shall not be liable for forfeiture of its Performance Security, Liquidated Damages or Termination for Default, if and to the extent that, its delay in performance or other failure to perform its obligations under the contract is the result of an event of force majeure.
- 2.27.2 For purposes of this Clause, “Force Majeure” means an event or situation beyond the control of the contractor that is not foreseeable, is unavoidable, and its origin is not due to negligence or lack of care on the part of the contractor. Such events may include, but not be limited to, acts of the client in its sovereign capacity, wars or revolutions, fires, floods, epidemics, quarantine restrictions and freight embargoes.
- 2.27.3 If a force majeure situation arises, the contractor shall promptly notify the client in writing of such conditions and the cause thereof within 21 days of its occurrence. Unless otherwise directed by the client in writing, the contractor shall continue to perform its obligations under the contract as far as is reasonably practical and shall seek all reasonable alternative means for performance not prevented by the force majeure event.
- 2.27.4 If the performance in whole or in part or any obligations under the contract is prevented or delayed by any reason of force majeure for a period exceeding 60 days, either party may at its option terminate the contract without any financial repercussions on either side.

## **2.28 Termination for Insolvency**

The Purchaser may at any time terminate the contract by giving written notice to the supplier / contractor, if the supplier / contractor becomes bankrupt or otherwise insolvent. In this event, termination will be without compensation to the supplier / contractor, provided that such termination will not prejudice or affect any right of action or remedy, which has accrued or will accrue thereafter to the client.

## **2.29 Termination for Convenience**

The supplier / contractor, by written notice sent to the contractor, may terminate the Contract, in whole or in part, at any time. The notice of termination shall specify that termination is for the client's convenience, the extent to which performance of the contractor under the contract is terminated, and the date upon which such termination becomes effective.

## **2.30 Settlement of Disputes**

- 2.30.1 The purchaser and the supplier / contractor shall make every effort to resolve amicably by direct informal negotiation any disagreement or dispute arising between them under or in connection with the contract.

2.30.2 If, after twenty-one (21) days, the parties have failed to resolve their dispute or difference by such mutual consultation, then either the purchaser or the supplier / contractor may give notice to the other party of its intention to commence arbitration, as here in after provided, as to the matter in dispute, and no arbitration in respect of this matter may be commenced unless such notice is given. Any dispute or difference in respect of which a notice of intention to commence arbitration has been given in accordance with this Clause shall be finally settled by arbitration. Arbitration may be commenced prior to or after delivery of the goods/work under the contract.

2.30.3 The dispute settlement mechanism/arbitration proceedings shall be concluded as under:

- |     |   |
|-----|---|
| (a) | In case of dispute or difference arising between the client and a contractor relating to any matter arising out of or connected with this agreement, such disputes or difference shall be settled in accordance with the Indian Arbitration & Conciliation Act, 1996, the rules there under and any statutory modifications or re- enactments thereof shall apply to the arbitration proceedings. The dispute shall be referred to the Director the Indian Institute of Tropical Meteorology (IITM), Pune and if he is unable or unwilling to act, to the sole arbitration of some other person appointed by him willing to act as such arbitrator. The award of the arbitrator so appointed shall be final, conclusive and binding on all parties to the contract. |
|-----|---|

2.30.4 The venue of the arbitration shall be the place from where the purchase / work order or contract is issued.

2.30.5 Not with standing any reference to arbitration herein,

(a)	the parties shall continue to perform their respective obligations under the contract unless they otherwise agree;	and
(b)	the purchaser shall pay the contractor any monies due the supplier.	

### **2.31 Governing Language**

The contract shall be written in English language which shall govern its interpretation. All correspondence and other documents pertaining to the contract, which are exchanged by the parties, shall be written in the English language only.

### **2.32 Applicable Law / Jurisdiction**

The contract shall be interpreted in accordance with the laws of the Union of India, and all disputes shall be subject to place of jurisdiction as specified in SCC.

### **2.33 Notices**

2.33.1 Any notice given by one party to the other pursuant to this contract / order shall be sent to the other party in writing or by cable, telex, FAX, e-mail or / and confirmed in writing to the other party's address specified in the SCC.

2.33.2 A notice shall be effective when delivered or on the notice's effective date, whichever is later.

### **2.34 Taxes and Duties**

2.34.1 For goods / works component manufactured within India, the supplier / contractor shall be entirely responsible for all taxes, duties, license fees, etc., incurred till its final manufacture / production.

2.34.2 If any tax exemptions, reductions, allowances or privileges may be available to the supplier / contractor in India, the purchaser shall make its best efforts to enable the supplier / contractor to benefit from any such tax savings to the maximum allowable extent.

2.34.3 All payments due under the contract shall be paid after deduction of statutory levies (at source) (like ESIC, IT, etc.) wherever applicable.

**Instructions for Online Bid Submission on E-Wizard Web Portal :**

The bidders are required to submit soft copies of their bids electronically on the e-tender Portal, using valid Digital Signature Certificates. The instructions given below are meant to assist the bidders in registering on the e-Procurement Portal <https://moes.euniwizarde.com>, prepare their bids in accordance with the requirements and submitting their bids online on the e- Procurement Portal.

More information useful for submitting online bids on the e-Procurement Portal may be obtained at: <https://moes.euniwizarde.com>

**REGISTRATION**

1. Bidders are required to enroll on the e-Procurement Portal (<https://moes.euniwizarde.com>) with clicking on the link “Online bidder Registration” on the e-tender Portal by paying the Registration fee of Rs. 2360/- per year charge.
2. As part of the enrolment process, the bidders will be required to choose a unique user name and assign a password for their accounts.
3. Bidders are advised to register their valid email address and mobile numbers as part of the registration process. These would be used for any communication with the bidder.
4. Upon enrolment, the bidders will be required to register their valid Digital Signature Certificate (Only Class III Certificates with signing + encryption key usage) issued by any Certifying Authority recognized by CCA India (e.g. Sify / TCS / node / eMudhra etc.), with their profile.
5. Only one valid DSC should be registered by a bidder. Please note that the bidders are responsible to ensure that they do not lend their DSC’s to others which may lead to misuse.
6. Bidder then logs in to the site through the secured log-in by entering their user ID/password and the password of the DSC / e-Token.
7. The scanned copies of all original documents should be uploaded on portal.
8. For any Query contact to our helpdesk Number 011-49606060, Email: [helpdeskeuniwizarde@gmail.com](mailto:helpdeskeuniwizarde@gmail.com), Mr. Sunil – 8448288990.

**SEARCHING FOR TENDER DOCUMENTS**

9. There are various search options built in the e-tender Portal, to facilitate bidders to search active tenders by several parameters. These parameters could include Tender ID, Item/work id, Title, Date, etc
10. Once the bidders have selected the tenders they are interested in, the bidder can pay the processing fee of Rs. ....+ 18 % GST-/ (NOT REFUNDABLE) by net-banking / Debit / Credit card and then download the required documents / tender schedules, Bid documents etc. Once both tender fees are paid, it will be moved to the respective “requested” Tab. This would enable the e-tender Portal to intimate the bidders through e-mail in case there is any corrigendum issued to the tender document.

**PREPARATION OF BIDS**

11. Bidder should take into account any corrigendum published on the tender document before submitting their bids.
12. Please go through the tender advertisement and the tender document carefully to understand the documents required to be submitted as part of the bid. Please note the number of covers in which the bid documents have to be submitted, the number of documents - including the names and content of each of the document that need to be submitted. Any deviations from these may lead to rejection of the bid.
13. Bidder, in advance, should get ready the bid documents to be submitted as indicated in the tender document / schedule and generally, they can be in PDF /JPEG formats. Bid Original documents may be scanned with 100 dpi with Colored option which helps in reducing size of the scanned document.
14. To avoid the time and effort required in uploading the same set of standard documents which are required to be submitted as a part of every bid, a provision of uploading such standard documents (e.g. PAN card copy, annual reports, auditor certificates etc.) has been provided to the bidders. Bidders can use “My Documents” available to them to upload such documents.
15. These documents may be directly submitted from the “My Documents” area while submitting a bid, and need not be uploaded again and again. This will lead to a reduction in the time required for bid submission process.

**SUBMISSION OF BIDS**

16. Bidder should log into the website well in advance for the submission of the bid so that it gets uploaded well in time i.e. on or before the bid submission time. Bidder will be responsible for any delay due to other issues.
17. The bidder has to digitally sign and upload the required bid documents one by one as indicated in the tender document.
18. Bidder has to select the payment option as “DD” to pay the EMD as applicable and enter details of the instrument.
19. Bidder should prepare the EMD as per the instructions specified in the tender document & submit EMD fee manually at department end. The original bid should be posted/couriered/given in person to the concerned official, latest by the last date of bid submission or as specified in the tender documents. The details of the DD/any other accepted instrument, physically sent, should tally with the details available in the scanned copy and the data entered during bid submission time. Otherwise, the uploaded bid will be rejected.
20. \*Bidders are requested to note that they should necessarily submit their financial bids in the format provided and no other format is acceptable. If the price bid has been given as a standard BoQ format with the tender document, then the same is to be downloaded and to be filled by all the bidders. Bidders are required to download the BoQ file, open it and complete the white colored (unprotected) cells with their respective financial quotes and other details (such as name of the bidder). No other cells should be changed. Once the details have been completed, the bidder should save it and submit it online, without changing the filename. If the BoQ file is found to be modified by the bidder, the bid will be rejected.
21. The server time (which is displayed on the bidders’ dashboard) will be considered as the standard time for referencing the deadlines for submission of the bids by the bidders, opening of bids etc. The bidders should follow this time during bid submission.
22. All the documents being submitted by the bidders would be encrypted using PKI encryption techniques to ensure the secrecy of the data. The data entered cannot be viewed by unauthorized persons until the time of bid opening. Data storage encryption of sensitive fields is done. Any bid document that is uploaded to the server is subjected to symmetric encryption using a system generated symmetric key. Further this key is subjected to asymmetric encryption using buyers/bid opener public keys. Overall, the uploaded tender documents become readable only after the tender opening by the authorized bid openers.
23. The uploaded tender documents become readable only after the tender opening by the authorized bid openers.
24. Upon the successful and timely submission of bid click “Complete“(i.e. after Clicking “Submit” in the portal), the portal will give a successful Tender submission acknowledgement & a bid summary will be displayed with the unique id and date & time of submission of the bid with all other relevant details.
25. The tender summary has to be printed and kept as an acknowledgement of the submission of the tender. This acknowledgement may be used as an entry pass for any bid opening meetings.
